

STANDARDS *Made Simple*

10 EASY SCRIPTS
TO SET THE BAR WITH SOMEONE

JUST BECAUSE YOU'RE ADDRESSING A HEAVIER TOPIC,
DOESN'T MEAN IT NEEDS TO BE DONE IN A HEAVY WAY.
HERE ARE 10 CONFIDENT WAYS FOR COMMUNICATING
YOUR STANDARDS IN DATING:

Love Life
Essential Guides

IF THEY ASK YOU TO COME TO THEIR PLACE LATE

"I'm gonna have to know you a little better before I come over in the evening like that . . . But if you want to go out or do something next week, let me know and we can make a plan."

IF THEY MOVE TOO FAST

"I think you're really hot . . . and I can already tell this would be so much fun, but this is a little fast for me."

WHEN YOU WANT THEM TO NOT MAKE LAST-MINUTE DATE PLANS

"I would have loved to see you, but I have plans tonight. More notice next time?"

IF YOU WANT TO EXPRESS YOUR EXPECTATIONS

"What are your thoughts on dating these days? Personally, I don't really get the whole casual dating thing if it's not going anywhere. It's just not something I'm interested in."

IF YOU WANT TO CHANGE YOUR DATE PLANS

"A movie would be fun, but I'm kind of feeling doing something outdoorsy today. Maybe we could take a walk somewhere instead?"

IF YOU WANT THEM TO TEXT MORE

"Just a note: It's a little frustrating when we text and you stop responding for a day in the middle of a conversation. Makes it difficult to communicate and get to know each other properly."

IF YOU WANT MORE CONSISTENT COMMUNICATION

"I really enjoy our conversations, and I'd love it if we could chat a bit more consistently. It helps me feel connected to you."

IF THEY KEEP BLOWING HOT AND COLD

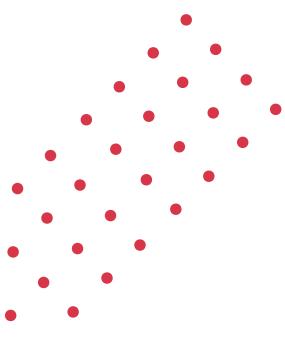

"It's nice to hear from you, but I feel like the communication between us is inconsistent at the moment, and (rightly or wrongly) it feels a little bit like you're not being intentional right now. Consistency and follow through are actually really important to me."

IF THEY ARE INDECISIVE ABOUT COMMITMENT

"I'm at a stage in my life where I'm looking for something real. And if I'm seeing someone, it's important for me to know we're on the same page (which I'm not sure is the case right now). Let's take some space for now until we both know we want the same thing."

IF YOU FEEL THEY AREN'T EXPRESSING THEIR THOUGHTS

"I believe honesty is crucial in a relationship. If something's bothering you, I'd like it if we could talk about it openly. Whatever it is, I won't judge you."

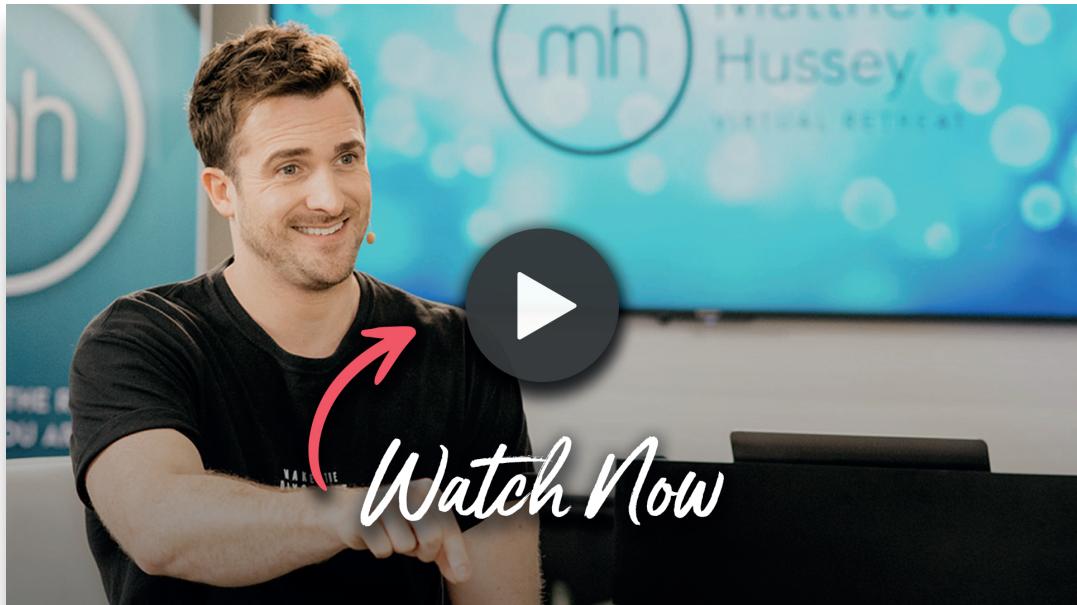

Matthew
Hussey

WANT MORE PRACTICAL TIPS?

Communicating standards in early dating is just one small (but important!) part of your journey to finding love. If you loved this quick guide, and want to learn MORE practical ways to find a loving relationship FASTER . . .
